

## **Kissel Hill Commons**

### ***-- Changes to the Exterior of Your Home --***

The ARCHITECTURAL REVIEW BOARD (“ARB”) is an arm of the Lot Owners Association Executive Board. Any plans to remove or install bushes or trees, as well as to change the landscaping of your property (such as by adding a garden area) needs to be submitted to the ARB first for approval. Any changes to the exterior of your home, such as by adding or removing storm doors or shutters, should be submitted to the ARB before any work is done -- ***www.khchoa.com*** -- A form with regard to that submission can be found at the Kissel Hill Commons website. There are a few specific restrictions about changes to your property, but generally the ARB is receptive to any changes you would like to make which enhance the appearance and usefulness of your home.
