SINGLE FAMILY and DUPLEX HOMES are responsible for all of their own mowing, mulching, weeding, and trimming bushes.

TOWNHOUSES have this done by the Association. This includes, mowing, trimming bushes, mulching, and weed prevention. The Townhouses pay an additional fee to the Association in order to cover the costs for the landscaping and snow removal.

APARTMENTS and COMMERCIAL BUILDINGS have all mowing, mulching, weeding, and trimming bushes done by the owners of the buildings.

COMMON ELEMENTS are mowed, mulched, weeded and trimmed by the Association.
